

Sculptors

3D

Who are they, what did they do and why, what inspired them, what makes them ‘masters’ and what do we learn from their minds and work?

You are asked to prepare a powerpoint presentation or imovie on a sculptor of your choice. The object of the talk is to let the class see the best known of this person’s body of work. In your presentation you are to relate the following...

Criteria ;

- Who was this artist? When and where were they born?
- What was cultural context at the time? Wars, famine??
- Give interesting **quotes and facts** ! Inspire us!
- What is something you found out that **surprised you**?
- Tell us what **art period and art style**?
- 5-8 strong images including a **picture of the artist**
Only one image on a slide. Please give us time to look at the work.
- Make sure you give a personal response to the work

Let us know..

- **Why you think that this person’s work is still famous today?**

Keep it simple and visual and interesting.!Use your own words!
Remember to put the most important info and some images about this sculpture in your sketchbook

Due presented with your studio response week of April
